

Schedule

In our journey, we follow the cycle of the Moon and Samhain. This is how we spiral into the heart of nature, Mother Earth, and with the ancestral realms.

We will be gathering for one full moon cycle. We will be meeting every Monday (Moonday) for five weeks from the New Moon to the Dark Moon to be with the energy of this potent season.

All circle calls will be held live. Please do your best to be with us live on the calls to receive the most out of our journey together. A recording for each call will be uploaded to our online portal for you after each call.

Depending on our group size and shares, it could be less/more than the time allotted but please block off ninety minutes for each call. If we need to adjust this as we go, we will. Thank you!
